- **Soft Skill:** Digital Literacy, Problem Solving, Adaptability, Flexibility, Self-Learning, Googling, Critical Thinking, Time Management

## EDUCATION

**B.Sc. Information Technology**, *University of Calicut (2018 - 2021)*

*Standing arrears*

## PROJECTS

### 1. SHOPITECT

- Developed an app for generating Shop management applications (Shop app) suitable for small scale shops to manage their products.
- Implemented functionalities for storing product details in the Shop app.
- **Project link:** <https://shopitect.vercel.app>
- **Demo shop app link:** <https://shopitect.vercel.app/my-shop>  
(\*secret\_access\_code to access shop admin section: #my5b8shop)
- **Source code:** <https://github.com/bijink/shopitect>
- **Technologies used:** ReactJS, NextJS, TypeScript, Redux-Toolkit, Firebase, Next Auth, Firebase Auth, Material UI

### 2. OLX CLONE

- Developed a clone of OLX app
- **Project link:** <https://olx-clone-in.web.app>
- **Source code:** <https://github.com/bijink/olx-clone>
- **Technologies used:** ReactJS, Redux, Firebase, Firebase Auth, SCSS, Webpack

### 3. INSTAGRAM CLONE

- Developed a clone of Instagram app
- **Project link:** <https://instagram-clone-in.vercel.app>
- **Source code:** <https://github.com/bijink/instagram-clone>
- **Technologies used:** ReactJS, NextJS, TypeScript, Recoil, Firebase, Next Auth, Faker API, Tailwind CSS

## ACHIEVEMENTS

### 1. REACT CHALLENGE WINNER

- Winner of React Challenge hosted by **BROTOTYPE** YouTube Channel, October 2022.
- Developed *Todo List* application utilizing ReactJS technology.
- Received a cash prize of Rs. 10,000 for the winning entry.
- Winner announcement video link: <https://youtu.be/dKec8Azw7Is?t=230>

## LANGUAGES

**English** - Professional Working Proficiency

**Malayalam** - Native or Bilingual Proficiency

**Tamil** - Limited Working Proficiency
